Subject:-Fair mapping of Mysore South Kanara Boundary.

It was originally intended that the whole length of boundary should be fair drawn, out-line and contour, of the same dimensions as the old 4-inch sheets. Since the work started in 1920-21 only two sheets have been actually fair drawn in accordance with the above idea. I do not propose to adopt the same procedure ^{for} of the remaining portion of boundary, as the Governments concerned will not be prepared to incur any unnecessary expenditure on such an undertaking and I feel confident that they would be quite satisfied with vandyke copies of the original plane-table sections as were submitted last June. It would thus save time and labour.

2. There will remain for this recess traces to be made of 14 sheets representing the ~~REMAINING~~ out-turn or field work which will probably take 2 months. I have now submitted a requisition for funds accordingly together with a statement showing proposed recess strength. * *

[No 1868 E/25] From the Director Southern
Circle, Survey of India No G.201 of
18.5.1925

Survey - Boundary - Mysore - South Kanara
Boundary Settlement

To Under Secy

~~I request~~ The establishment employed under
the Survey of India office for work connected
with the settlement of the Mysore South Kanara
boundary was sanctioned for a period
of 8 months from 1st October 1924 and the
period will expire on 30-6-1925. The
Director Southern Circle Survey of India
now applies for sanction for the employment
of the Mr Norton, Extra Asst Inspet,
✓ 2 Surveyors, 1 Typist, 1 clerk &
✓ 2 menials for a period of 2 months for
attending to the following work:-

- (1) fair mapping of the survey work
- (2) Completion of accounts &
- (3) Report of the detachment

He has also addressed the Surveyor-
General of India for necessary sanction.
A summer recess establishment was
sanctioned in 1922. The establishment
applied for may, it is submitted, be
sanctioned. It does not appear necessary

To consult the Board in the matter.

2. As regards the pay proposed by the Director, Southern Circle, the special pay of Rs 150 proposed for Mr Morton has been sanctioned by the Government of India vide letter at page 3 of G.O. No 1878 Ren. of 6-12-1924. As regards the other establishment the pay proposed is the same as was sanctioned for similar posts in G.O. No 1652-3-4 R of 2-7-10-1924. The pay proposed at page 4 C.F. may, if it is submitted, be accepted.

A draft order is submitted. It may issue with the concurrence of

PK: 26.5.28
 824
 2875/28

and I think it is necessary to consult the Director of Forestry as to the necessity for the draft proposed as to the deduction for the work done and done at the same time. As regards the increase in pay of the officers of the staff there seems to be no necessity as they should be allowed to draw the increases

While they are attending to office
work. However, as they were
allowed only in G.O. No 1069
Bn 2/12/6/1922 it seems too late
to raise the question.
